THE HON'BLE SRI JUSTICE R.SUBHASH REDDY

WRIT PETITION NO.6358 OF 2001.

ORDER:

This writ petition is filed seeking a direction to the respondents to restore electricity power supply to the petitioner's premises bearing No.3-6-525 situated at Street No.7, Himayathnagar, Hyderabad.

It is the case of the petitioner that though he paid the electricity consumption charges regularly, only to evict him from the premises without following due process of law, at the instance of the second respondent, the first

respondent disconnected the power supply. At the stage of admission, this Court by an order dated 06-04-2001 granted an interim direction to restore power supply to the petitioner's premises. Though this writ petition is of the year 2001, no counter affidavit has been filed on behalf the respondents.

In that view of the matter and as stated by the petitioner in the affidavit that he is not in arrears of any amount towards electricity consumption charges, I dispose of the writ petition directing the respondents to continue the power supply to the premises in question, on payment of regular consumption charges by the petitioner. However, it is made clear that if the petitioner violates any terms and conditions of power supply, it is open for the respondents to issue notice and take appropriate action.

Writ petition is accordingly disposed of. No order as to costs.
